EMPOWERMENT THROUGH CONNECTION

Architects, engineers, contractors and owners face unique challenges throughout the lifecycle of a project.

NEWFORMA PROJECT CENTER EMPOWERS YOU THROUGH CONNECTING WITH OTHER BEST-IN-CLASS SYSTEMS OFFERING:

Cloud-based solution

easily and securely search and access network files and import new image files, additionally, the cloud browser interfaces to create and manage action items.

Time Savings

Newforma extends your project team to leverage project data without time-consuming double entry of inefficient processes.

Coordinated Project Communication

Need to answer a question or speak with a designer, engineer or project manager on the job – do so immediately.

For more information on how Newforma can help you better manage field communication, register for a free webinar today at www.newforma.com/webinars.
