QUICKLY ORGANIZE AND SEARCH

Your teams are too busy solving important design issues to waste time searching for critical project information. With Newforma, every file, action item and email on your network is indexed, resulting in a powerful all-encompassing search.

NEWFORMA PROJECT CENTER ALLOWS YOU TO QUICKLY ORGANIZE AND SEARCH TERABYTES OF PROJECT INFORMATION DATA:

Single View

Every action item and email on your network is catalogued.

Indexing

All project files (e.g. BIM models, XREF files, DWG's, etc.) are indexed in their original location.

Data Access

Data can be stored wherever you prefer (i.e. company network or cloud).

Search

Our all-encompassing search technology provides fast and easy access to your data in its entirety.
